

Advice for anyone organising a petanque event at Greenhead Park

1. Any individual or group can use the terrain at any time when it is not reserved for HPC session. It's a public park. HPC has no responsibility in this matter. KMC might have.
2. Current club sessions are Sunday, Tuesday & Thursday 1300 to 1700.
3. Organisations who wish to run their own event without any assistance from HPC can do so at no charge when no club session is running.
4. There are no catering facilities available. The park has a café. There is a pub nearby.
5. Public toilets are available near the café and also in the pub.
6. The club can provide boules and accessories on request. These may belong to members so cannot be guaranteed at short notice.
7. The club can provide coaching, umpiring and competition organisation on request. This will involve volunteers from the club membership so cannot be guaranteed.
8. Organisations who need to borrow boules or require coaching/umpiring from club members or to have a competition organised for them will have to buy a day membership at a rate of £3-50 per person for a day or part of a day.
9. The terrain can hold up to 40 players playing in pairs on 10 pistes. Larger numbers are possible (please ask)

Typical program for a Petanque taster day

1000	Arrival, housekeeping, introduction to the game
1015	Rules explained and practice on terrain with club members
1115	Coffee break
1130	More practice; types of shot, advice on tactics
1230	Lunch
1315	Two round pairs competition with club members umpiring.
1500	Photo opportunity and tea break
1515	Debrief, presentation of prizes and close

This can be modified to suit individual requirements but a minimum of 3 hours is recommended.
