

## **A team building event for your staff at Huddersfield Petanque Club**

You've heard of it and you may have seen it abroad on holiday in France or Spain.

Now you can play it here in Huddersfield.

There is a terrain that can take up to 10 games at a time and a club meets regularly and has over 60 members and we can host an all day (or a half day) event for your organisation.

We'll supply the boules; we'll teach you the rules; club members will advise on tactics and strategy; we'll run a short tournament for you where we keep scores and someone will end up as winners. All participants will receive a certificate and winners will take home a medal on a tricolor string.

You need to provide a lunch (we have no catering facilities) and each person has to buy a day membership for £3-50 but that's it. An alternative away-day, opportunities for staff to get to know each other and explore a totally new environment.
